Education

Chongqing University of Technology <i>Master of Science in Computer Science</i>	Sep.2021 studies began – Present <i>Chongqing, China</i>
Henan University <i>Bachelor degree in Network Engineering</i>	Sep.2016 studies began – Jun.2020 studies ended <i>Kaifeng, Henan, China</i>

Research Experience

National Statistical Science Research Project <i>Chongqing University of Technology</i> <ul style="list-style-type: none">• Extraction of spatio-temporal data features using temporal and spatial convolution.• Using the RNN component to update the weight parameters of the GCN model.• Visualization of results	Sep.2021 started – Aut.2022 ended <i>Chongqing, China</i>
CQUT Graduate Research Innovation Fund Project <i>Chongqing University of Technology</i> <ul style="list-style-type: none">• Complex network key node mining problem definition, modeling.• Convert the critical node mining problem into a regression problem.• Investigate the application of graph convolutional neural networks in the mining of key nodes of complex networks.	Dec.2021 started – Mar.2023 ended <i>Chongqing, China</i>

Research Publications

Key Node Identification Method Integrating Information Transmission Probability and Path Diversity in Complex Network[J]. The Computer Journal, 2022.JCR Q3 IF=1.76

Awards & Honors

2022 Scholarship for Graduate Studies <i>Chongqing University of Technology</i>	First Class 2022
Outstanding Graduate Student <i>Chongqing University of Technology</i>	Top 15% 2022-2023
Technology Advanced Innovation Individual <i>Chongqing University of Technology</i>	Top 10% 2022-2023
Henan University Scholarship <i>Henan University</i>	Top 10% 2018-2019-2020
Three good students in Henan Province <i>Henan Provincial Department of Education</i>	Top 1% 2019
China Student Computer Design Competition <i>China Student Computer Design Competition Organizing Committee</i>	National Third Prize 2019
Three good students of Henan University <i>Henan University</i>	Top 10% 2018-2019-2020
Outstanding Officers of Henan University <i>Henan University</i>	Top 10% 2018-2019

Specialized Skills

Programming Languages: Python (intermediate), Java (intermediate), C/C++(intermediate)

Deep Learning Framework: Pytorch

Other Interests

Athletics: Badminton

Read: Philosophy:<Relationship: Bridge to the Soul>,Psychology:<Counselling For Toads: A Psychological Adventure>,Novel:<The Razor's Edge>,Prose:<Twelve Letters to Youth>
